

FEDERAL VET DIPLOMA IN INFORMATION TECHNOLOGY

way up plus

THIS FAST-TRACK IT APPRENTICESHIP TAKES TWO YEARS TO COMPLETE AND IS AIMED AT YOUNG PEOPLE WHO WANT TO GAIN PRACTICAL WORK EXPERIENCE FOLLOWING THEIR ACADEMIC BACCALAUREATE.

SYSTEMS TECHNOLOGY

In most cases, your practical training towards becoming a qualified expert in the planning and installation of networks, as well as monitoring and troubleshooting, will begin with some experience of working in Support. Later, you will learn how to set up and maintain client/server systems or standardize ICT processes.

APPLICATION DEVELOPMENT

Initially, your hands-on work experience will largely consist of providing hard- and software support, including troubleshooting and testing. Later, the focus will be on developing programs, from planning right through to implementation. For example, you will learn how to modify web page functions, controls, programs and databases to meet customer requirements.

OBTAINING A VOCATIONAL QUALIFICATION AND HAVING A CONSIDERABLE AMOUNT OF PRACTICAL EXPERIENCE UNDER YOUR BELT A MERE TWO YEARS AFTER YOUR ACADEMIC BACCALAUREATE IS A SURE-FIRE WAY TO GET YOUR CAREER OFF TO A GREAT START.

«The Zug Cantonal Hospital is investing in the future. Well-trained and motivated staff are the cornerstone of our success. Training the next generation of professionals is very important to us and we pursue our educational mission with pleasure and with passion. In the Information Technology department, we've been collaborating with bildxzug for 15 years now. Thanks to this partnership, we can offer apprenticeship places in the area of IT Support. We're confident that we will be able to continue using this model in the future together with our expert partner of many years, bildxzug.»

André Röthlisberger, Deputy Head of IT at the Zug Cantonal Hospital

«SOFTEC AG VALUES ITS COLLABORATION WITH THE BILDZUG NETWORK. BY PROVIDING PRACTICAL TRAINING TO APPRENTICES, WE'RE DOING OUR PART TO COMBAT THE SHORTAGE OF SPECIALIZED SKILLS IN ICT.» ADRIAN BRUNNER, SOFTEC AG
